Welcome to the 2015-2016 school year at Hyde Elementary! Each year Hyde PTA strives to make a difference in your child's education by hosting programs, activities, and education support. This year we have set forth our biggest challenge of raising money to start the process of replacing the back playground. Our playground is 20 years old and is in much needed repair or replacement. It is PTA's goal to raise the funds this year to help offset the cost.

We would like to do this as much as possible through "No Effort Fundraising." We will not ask you to sell cookie dough or wrapping paper! Instead, we ask you to help us by doing things your already do without spending extra expense and NO SELLING. All we ask is you focus your spending with the following programs that offer opportunities to earn money for our school. We were able to raise over \$7,000 last year through these fundraisers with a low number of participants. Think of what we could raise, if everyone participated!

Please take a few minutes to sign up in the 10 easy ways everyone can contribute by focusing on their normal spending and share the information with family, friends, and neighbors to increase our spending power!

The My Coke Rewards for Schools program allows MCR members to donate points collected via the MCR program to eligible schools. In the new program, points donated will be converted to cash and the school will receive a quarterly payment to be used on physical education, sports, technology, arts and/or classroom supplies. https://donate.mycokerewards.com
